ULTIMATE WHOLESALE

Show Packing List

BY ARIANNE FOULKS

14 stationery companies shared their own trade show packing lists with us, and we've compiled it into a master list to use at the National Stationery Show, NY NOW, or any other wholesale show where you set up a booth to exhibit.

You don't need to bring all these things, and every booht will be different, but this should be a good start. Happy travels!

Know the story of your business and we'll help you tell it!

Our work is transformative and custom to your business. After working with us, you'll be ready for the opportunities that will knock on your door. Learn about our services on the next page.

MEET YOUR A-TEAM

Better yet, your A-Z team. We're the complete package because we can't bear to imagine a beautiful website without a cohesive brand identity, a pretty design wrapped around poor content, or a perfect website with no customers. That's why we always have a few extras in our toolkit:

Brand Identity: You—yes you—are more than a beautiful logo. We design those, too, but more importantly we create thoughtful and engaging brand identities that last and last.

Print & Packaging Design: We delight in creating real experiences for customers using business stationery, product packaging, and printed marketing materials.

Illustration: If you can't quite picture it in your mind, let us do it for you. Express the inexpressible and unleash the intangible with custom illustrations that capture all that's unique about you.

Product Photography: Oh, snap! Presentation is everything, and photography is essential in bringing your product to picture-perfect life as your customer decides whether or not to make a purchase.

Copywriting: You have a story and a mission, but how will you tell it? Professional copywriting gets your message across in a way that speaks truth about you, your voice, and your brand.

Website Design & Development: We understand that for a creative business like yours, an online shop is not just a site, it's a home. Aeolidia is peerless (but never friendless) when it comes to creating websites that engage visitors, boost sales, and attract press.

Marketing Consultation: Your ideas are too amazing to keep to yourself. Launch them with laser-beam precision using a tailored marketing plan that'll help better your presence and boost your media exposure and sales.

Please email **hello@aeolidia.com** to ask how we can transform your business!
